No ☐ Yes, date provided: Provide documentation on the steps taken to decrease the chance of opioid overdose again: Provide treatment plan to lower opioid dose: Attach lab results and other documentation as necessary. Prescriber signature (Must match prescriber listed above.) Date of submission

**IMPORTANT NOTE:** In evaluating requests for prior authorization the consultant will consider the treatment from the standpoint of medical necessity only. If approval of this request is granted, this does not indicate that the member continues to be eligible for Medicaid. It is the responsibility of the provider who initiates the request for prior authorization to establish by inspection of the member's Medicaid eligibility card and, if necessary by contact with the county Department of Human Services, that the member continues to be eligible for Medicaid.
